## CANTICLES OF THE OMNISSIAH

At units with this ability gain a bonus during the battle depending on the Canticle of the Omnissiah currently being canted.

At the start of each battle round, pick which Canticle of the Omnissiah from the table below is in effect for the duration of the battle round. The same Canticle may not be picked twice during the same battle.

Alternatively, you can randomly determine which Canticle of the Omnissiah is in effect by rolling a D6 and consulting the table below. Note that if you randomly determine a Canticle, it takes effect even if the same Canticle has been in effect earlier in the battle.

If you have a Battle-forged army, units only receive the bonus if every model in their Detachment has this ability.

1. INCARNATION OF THE IRON SOUL	You can re-roll failed Morale tests for affected units.
2. LITANY OF THE ELECTROMANCER	Roll a D6 for each enemy unit that is within 1" of any affected units; on a roll of 6, the unit being rolled for suffers D3 mortal wounds.
3. CHANT OF THE REMORSELESS FIST	You can re-roll any hit rolls of 1 for affected units in the Fight phase.
4. SHRO UDPSALM	Affected units gain the bonus to their armour saving throws as if they were in cover. Units already in cover are unaffected.
5. INVOCATION OF MACHINE MIGHT	Affected units have +1 Strength.
6. BENEDICTION OF THE OMNISSIAH	You can re-roll failed hit rolls of 1 for affected units in the Shooting phase.
FORGEWORLD DOGMA	
MARS	Glory to the Omnissiah: Each time you randomly determine which Canticle of the Omnissiah is being canted, roll two dice instead of one. All units with this dogma receive the benefit of both results, instead of just the result of the first dice (if duplicate is rolled, no additional Canticle is canted this turn).
GRAIA	Refusal to Yield: Roll a D6 each time a model with this dogma is slain or flees - on a 6 that model refuses to yield; either that model is not slain (and has 1 wound remaining), or that model does not flee. However, <b>GRAIA</b> units with this dogma cannot Fall Back unless there is a friendly <b>GRAIA</b> CHARACTER on the battlefield.
METALICA	Relentless March: If a unit with this dogma Advances, it can ignore the penalty for firing Assault weapons and treats all Rapid Fire weapons it is armed with as Assault weapons until the end of the turn (e.g. a Rapid Fire 1 weapon is treated as an Assault 1 weapon).
LUCIUS	The Solar Blessing: When making saving throws, units with this dogma treat enemy attacks with an Armour Penetration characteristic of -1 as having an Armour Penetration of 0 instead.
AGRIPINAA	Staunch Defenders: When firing Overwatch, units with this dogma hit on a roll on 5+, instead of only 6, irrespective of modifiers.
ST YGIES VIII	Shroud Protocols: Your opponent must substract 1 from their hit rolls when shooting at units with this dogma if they are more than 12" away.
RYZA	Red in cog and claw: You can re-roll wound rolls of 1 in the Fight phase for units with this dogma.
TRAITS
